Let The Testing Begin.

DEQE computer modelling of the anticipated annual rate of emission fallout from the Signal Resco Resource Recovery Facility on Route 20 in Millbury. The numbers, ranging from 0.01 (highest) to 0.005 (lowest), indicate the levels of disbursement for areas contained within the thick black lines.

The Resource Recovery Advisory Committee, commissioned at a Special Town Meeting in the Fall of 1986, has taken the necessary steps for environmental pre-testing of air, soil, and vegetation prior to the start-up of the Signal Resco Plant in July. On Thursday, April 30, 1987, following many weeks of deliberation, the committee met and were provided proposals from five laboratories who submitted bids for the testing. Stephen Walinsky, chairman of the committee, had prepared a comparative analysis of the proposals submitted. Bids for the testing ranged from a high of $74,365 submitted by ERT of Concord, to a low of $23,210 submitted by Novalab, Ltd. of Canada. The major points which the committee considered were: the type of testing to be done, the location which would be subject to the testing, and the methodology used in the testing. In a May 30 interview, Walinsky stated that on Thursday, May 28, the committee chose a laboratory to do the testing from among two finalists. The name of the company selected will be announced once the laboratory has been notified of its selection.

At the April 30 meeting, it was decided that, as previously discussed, air, soil, and vegetation would be tested for a variety of substances. The sites considered appropriate for testing were conservation commission land, cemeteries, West Millbury Dairies, the landfill area and other locations. Essentially, the committee was looking for locations which would remain undisturbed year after year. After a substantial discussion of desirable testing locations, committee member Harold Ostrowski suggested that instead of establishing definitive testing sites, the committee would be better off relying on the designee's expertise in site selection, and advice from the DEQE (Department of Environmental Quality Engineering).

Frank Piscitelli, Chairman of the Board of Health, explained that the methodology to be used was important as some laboratory testing performed on soil samples taken from the Lewcott Corporation on Providence Road in Millbury was flawed by a particular testing process. Since sampled material taken from Lewcott was disposed of, and the contaminated area cleaned, retesting is impossible.

Representatives of the RESCO facility have attended every meeting held by the Advisory Committee, and have provided a secretary to take the minutes. Among the RESCO representatives in attendance at the April 30th meeting, were Dan Radebaugh, Plant Manager, and Jerry Antrobus, Project Manager. Radebaugh asked, "Do you want a review (of the proposals) from our people at Hampton?" Antrobus added that recommendations could be made.

One bidder, Novalab, Ltd. of Lachine, Quebec, Canada was immediately eliminated because the consensus was that it would be better to hire a company closer to the area.

Ostrowski made a motion that Signal Resco be given the remaining four specs and make a recommendation on the tester.

According to Walinsky, Resco returned with two finalists from which one was chosen. In a June 1st phone interview, Dan Radebaugh stated: "We've worked with these people before; they did the modelling study for this area and did some work on the environmental impact study that was done for the plant, and we found them very reliable."

Marty Campolito, a member of the committee, expressed some reservations about the laboratory chosen because the lab had done work for RESCO in the past. She also stated that the committee relied too heavily on advice and direction from RESCO. "It just seemed to me that there could be some conflict of interest inasmuch as the samples being gathered could be used in action against them." As illustration, she explained that during the interview, RESCO representative, Tim Porter, stated that he had gone to school with, and knows, Gary Hunt, an employee from the company selected.

Radebaugh explained that many environmental engineers had worked for EPA as had Porter and Hunt and knew one another from their associations there.

Walinsky stated that the testing will be done according to protocols established by the EPA and other federal authorities by a company that is certified. "All testing will be in compliance with national standards. All bidders said that the evidence collected will be bona fide and valid."

Walinsky added that the tests sites will be chosen using computer modelling which DEQE uses to establish where the maximum impact will occur. "These test should establish the conditions as they exist today," he said, "but the point at which the town will be comforted will be in one or two years when we can compare what the conditions were before the company started."

An Invitation to Celebrate Millbury's 174th Birthday Party

MILLBURY. The Millbury Public Library, in conjunction with the Millbury Historical Society and the 5th grade class of Assumption School, invites you to the Library to celebrate Millbury's 174th birthday. This birthday celebration will take place on June 10, from 6:30 to 7:30 p.m.

Millbury's birthday will be celebrated with cake and refreshments, and a special presentation of "Millbury and Its People from the Past and Present" performed by the 5th grade class at Assumption School.

Don't miss this opportunity to meet with friends and neighbors to toast the town of Millbury and its 174 years.

Summer Basketball League

MILLBURY. The Millbury Parks and Recreation Commission is again sponsoring the Summer Basketball League. This will start on June 30 and will be held on Tuesday and Thursday evenings. This league is open to all Millbury residents who will be entering the 2nd year of high school, and up. The registration fee is $15.00 and is payable on the evening of registration. Registration for this league will be held at the Town Hall on June 9 and 10, from 7:00 to 8:00 p.m.

CALENDAR OF EVENTS

SATURDAY, JUNE 6

SUTTON...The Sutton Historical Society will hold its Annual Flea Market and Craft Sale at the Blacksmith Shop from 9:00 a.m. to 2:00 p.m. Reservations made be made by calling Dan Griffith 476-7855. The rain date will be June 13th.

MILLBURY...The Millbury Historical Society will open its museum rooms to the public from 10:00 to 2:00.

MILLBURY...A Rummage/Bake Sale will be held at the Masonic Building, 7 South Main Street, Millbury, from 10:00-3:00.

SUTTON...The West Sutton Baptist Church, Central Turnpike, West Sutton, will host the Greendale Retired Men's Club Chorus at 7:00 p.m. The concert will be held behind the church in the ball field.

TUESDAY, JUNE 9

MILLBURY...The Millbury Public Library presents "Parsley, Sage, Rosemary and Thyme: Growing Herbs and Garden Designs" at the Millbury Public Library, 128 Elm Street, at 6:30 p.m.

WEDNESDAY, JUNE 10

MILLBURY...The Millbury Public Library, in conjunction with the Millbury Historical Society and the 5th grade class of Assumption School, invites you to the Library to celebrate Millbury's 174th birthday, from 6:30 to 7:30 p.m.

SATURDAY, JUNE 13

MILLBURY...Millbury Historical Society trip to Lowell National Historical Park.

Millbury Selectmen's Meeting Digest

By Edward J. Cooney

TUESDAY, MAY 26, 1987

The Tuesday Meeting of the Millbury Board of Selectmen moved along quite smoothly and ended at 8:10 p.m.

Chairman Jude Cristo called the Meeting to order at 7:00 p.m.

– Members signed the Warrant and listened to the weekly report from Town Administrator, Earl Chase. Chase reported that he had spoken to the Town Auditor, Roger Picard, who reported that a grant received in 1978 for the preservation of the Asa Waters Mansion, in the amount of $4,000, had a balance of $62.80 and should be closed out. The Board unanimously agreed.

– Street lights on Wheelock Avenue will be relocated where needed and also upgraded, according to Chase. Selectman Donald Gauthier inquired about Stowe Road as the light company received notification prior to the Wheelock Ave. project. Chase stated that he had not received official notice concerning Stowe Road.

– The Ramshorn Pond level has dropped and is okay, as is the flow in the stream from Ramshorn. According to Chase, the lower pond is used for fire protection.

Selectman Wynton Adams suggested that a little experimenting should be done so as to locate what level would be adequate at Ramshorn. He advised a 20% decrease in flow and a check of the flow in the downstream direction.

Cristo suggested that Chase get together with the Highway Surveyor to check on Ramshorn.

– Chase then informed the Board that a letter was received from Judy O'Connor, director of the Council on Aging, requiring the selectmen's approval and signature for a grant to be submitted to the Executive Office of Human Services. The grant is for $4,000 of video equipment, and the Selectmen approved on a 5–0 vote.

– The Chair then moved the meeting to "Old Business".

– The Board briefly discussed appointments that were held up, pending further information, at the last meeting. As no details were available again this evening, Cristo asked that the secretary check into the mater for further discussion and possible appointments at the next meeting.

– The Board accepted, with regret and thanks, the resignation of Joseph Lauzon from the Council on Aging. Adams asked that Chase contact the Council for suggestions concerning possible candidates for Lauzon's former position.

Chase informed the Board that a list of names was still available.

– Selectman Roland Lachance advised the Board that he is thinking of asking for reconsideration of appointments to the Board of Fire Engineers. He stated that he has been doing some research and homework and might want to discuss previous appointments at a future meeting.

– Adams informed the Board that he attended a meeting Signal Resco held with communities sharing commitments with the Resource Recovery Plant. He stated that Signal reviewed the commitments with the various communities in order to schedule the transfer of refuse to the plant from those communities. The plant will be taking refuse from communities on July 1st, and expects them to live up to their agreements by July 1, 1988.

"We need a transfer station in order to do this, or an open trailer truck that could be parked at the bottom of the pit at the landfill. People could dump their trash and then it would be delivered to the recovery plant," said Adams.

Chase informed the Board that there was a letter from Signal Resco in each member's packet. The letter indicated that Signal would be seeking approval to put on a second shift during the week, and also a Sunday shift, to allow them to meet the deadline for finishing construction for the start-up date of July 1st.

Selectman John Donnelly noted that Signal would be required to get a Sunday permit from the Chief of Police.

SELECTMEN from P. 3

Cristo then asked Chase for an update on the status of the downtown parking grant. Chase stated that needs more time as he has been unable to work on the grant this past week.

– Cristo asked Chase to contact the company building apartments over the former bowling alley on Elm Street, to see if they could tie their parking proposal into opening up more spaces.

Selectman John Donnelly stated that he thought it would be necessary to put in meters or to place a ban on overnight parking.

Adams indicated that once the telephone pole is moved, allowing a new egress from the municipal parking lot, conditions would improve.

– Cristo asked Chase if a date had been set to chemically treat Dorothy Pond. He noted that if work doesn't begin before July it will not be too effective. He suggested that Chase and Jeff Gardner contact the State to establish a schedule for treatment.

– Chase informed the Board that there was no further information on the sale of the Providence Street School as the title search is being made and a date will be decided after the title search is completed.

– The Board then met with the principals of Wilczynski and Ricker Realtors concerning the proposed construction of a retail office building on land adjacent to Ballard Pharmacy.

Wilczynski indicated that they wished to seek approval from the Board to move the cement berm along the side of Ballard's to the rear of the fenced lot, 15 feet beyond their property line, in order to allow access to the lot for construction equipment. He also asked the Board to approve closing off the access to the municipal parking lot for a few hours at a time to secure the construction area and thus make it safe for the general public. He noted that the Board had approved Whitney Insurance's request during the construction of their addition.

Ricker stated that a crane will be used to erect the steel girders and the frame for the steel, brick, and glass two-story building. He noted that there was a big liability at the site during construction and wished to insure safety.

Adams stated that the public needed to know, at least two weeks in advance, that the access road to the parking lot would be closed at certain times during the day. Wilczynski replied that they would post a sign to forewarn the public.

Lachance asked Wilczynski and Ricker if they were aware that when they moved the fence along Elm Street forward they had broken up the sidewalk.

Wilczynski stated that the lot had been surveyed and that their lot now extended to that point. He assured the Selectmen that a new sidewalk would replace the present one, with curbing and a radius to the access road, upon completion of the building.

The Board voted 4-1, with Donnelly voting no, to allow the closing of the access road for certain hours during construction, and also approved blocking off 15 feet in the rear of the lot for access to the building lot.

– On a 3-2 vote, the Selectmen approved New England Telephone's request for a second installation of electronic equipment at the corner of West Main and South Oxford Road, near the cemetery. George Stowe, superintendent of the cemetery, was present and, after viewing the drawing, approved the location. At a previous meeting, Stowe had voiced his disapproval of the indicated location as it was not an accurate location as shown on the previous drawing.

Lachance stated that, in his opinion, the box and its location would be "hideous" and noted that there was a need for better telephone service in the West Millbury area. He added that the new electronic equipment would do nothing to improve the telephone service.

– Chase then informed the Board that the Worcester side of Park Hill was under the jurisdiction of the State as that section is part of the state's layout of Route 20. Approval for an agreement for truck exclusion on that section of Park Hill will be needed from the State.

Chase also noted, in reply to a question from Cristo concerning traffic count, that Bob Fisher had already started another count and that it would be completed soon.

– The Board voted 5-0 to follow a State recommendation to install larger "Stop" signs at the intersection of Riverlin and Grafton Streets, as well as warning sings at some distance on either side of the intersection. Donnelly indicated that this plan should be given a try before considering spending the $6,000 for a flashing beacon, voted at the Town Meeting.

– A Public Hearing was held at 8:00 p.m., on the application of James McLaughlin for a permit to replace gasoline storage tanks and increase capacity by 2,000 gallons. McLaughlin noted that it was necessary to replace the tanks as ordered by DEQE (Department of Environmental Quality Engineering). Chase stated that the Fire Chief had already approved the request.

– The Selectmen agreed to a contract with Bayside Engineering for reconstruction of the Waters Street Bridge. Funds of $240,000 were approved for the project at the Annual Town Meeting.

– On a motion by Adams, the Board agreed to send a letter to the Planning Board, indicating the Board's support of Signal Resco's request for additional shifts at night and also for a Sunday shift.

– The Board received a copy of a letter from Jean Lewis, President of Lewcott Chemical to the Millbury Fire Chief, stating that he (Lewis) had investigated concerns that a logging operation carried out in April on property by the BBF Realty Trust in Millbury may not have been conducted in accordance with State Law and regulations. The letter stated that the State Forester had investigated and inspected the site and reported to Lewis that the cutting performed was below the quantity requiring an approved cutting plan.

In another letter from Lewis, this one to the Millbury Board of Health, Lewis announced that modifications were being made to a horizontal coater in order to reduce odor and smoke emissions from that unit.

The letter stated that a trial quantity of the new low odor emitting version has been submitted to the U.S. Army Materials Technology Laboratory for approval.

The letter further stated that Lewcott is investigating the effectiveness of a chemical odor control system and reported that once testing is complete the system will be implemented immediately if it is beneficial.

Cristo stated that it appeared that Lewcott was attempting to make concessions and was moving in the direction of establishing a "good faith effort".

SELECTMEN from P. 4

On a 5-0 vote, the Selectmen approved the appointment of Dr. Alfred Sylvia, School Superintendent, as coordinator of United Nations Week, as he has been in the past.

- On a unanimous vote, the Board voted to go into Executive Session for the purpose of discussing pending litigation with respect to Recreational Amusements, and for discussion of the purchase and sale of Real Property.

- Cristo noted that, upon return to open session, the Board would vote for adjournment.

New Family Member

Nicholas Joseph, son of Michele and Gerard Laflash II of 110 Wheelock Avenue, Millbury, was born on May 21, 1987.

Maternal grandparents are Joan and John Baker of Upton. Paternal grandparents are Grace and Gerard Laflash of Millbury.

Assumption School Field Day Winners

At the Annual Field Day held by Assumption School, grades 1-4 competed on the school grounds. The winners in each competition were as follows:

DISTANCE THROW - 1st Place: Andrew Patrick, Alyssa Webb, Grade 1; Jesse Nunnemacher, Ann Langlois, Grade 2; Jesse Szynal, Jessica Wilke, Grade 3, Thomas Couture, Kathryn Hoye, Grade 4.

2nd Place: Joseph Giandomenico, Sarah Bien, Grade 1; Matthew Pooler, Laurie Gagne, Grade 2; Christopher Snow, Danielle Bourque, Grade 3; Thomas Couture, Kathryn Hoye, Grade 4.

3rd Place: Jon Paul Bourque, Gina DeCaro, Grade 1; Christopher Palladino, Jill Rucci, Grade 2; Peter Keenan, Marta Nagy, Grade 3; Shane O'Coin, Michelle Murphy, Grade 4.

25 YARD DASH - 1st Place: Andrew Iglowski, Meaghan McLeod, Grade 1; Ryan Maher, Kristen Kaczynski, Grade 2; Peter Keenan, Danielle Bourque, Grade 3; Thomas Couture, Kathryn Hoye, Grade 4.

2nd Place: Adam Keller, Nicole Laflamme, Grade 1; Christopher Palladino, Jill Rucci, Grade 2; Christopher Snow, Angelina Rocheleau, Grade 3; Shane O'Coin, Anissa Lewos, Grade 4.

3rd Place: Andrew Patrick, Stephanie Smith, Grade 1; Jesse Nunnemacher, Justine Corey, Grade 2; Ryan Kasputis, Marta Nagy, Grade 3; Michael Hargrave, Michelle Murphy, Grade 4.

STANDING BROAD JUMP - 1st Place: Patrick Gibson, Nicole Laflamme, Grade 1; Jesse Nunnemacher, Laurie Gagne, Grade 2; Peter Keenan, Danielle Bourque, Grade 3; Michael Hargrave, Michelle Murphy, Grade 4.

2nd Place: Andrew Iglowski, Sarah Bien, Grade 1; Ryan Maher, Justine Corey, Grade 2; Christopher Snow, Erin Donahue, Grade 3; Thomas Couture, Anissa Lewos, Grade 4.

3rd Place: Jon Paul Bourque, Meaghan McLeod, Grade 1; Cory Couture, Jill Rucci, Grade 2; Michael Mozzilli, Jill Lavoie, Grade 3; Shane O'Coin, Jennifer Shields, Grade 4.

AGILITY RUN - 1st Place: Eric Gurski, Alyssa Webb, Grade 1; Ryan Maher, Lisa Lanzillotti, Grade 2; Peter Keenan, Danielle Bourque, Grade 3; Thomas Couture, Jennifer Shields, Grade 4.

3rd Place: Patrick Gibson, Gina DeCaro, grade 1; Cory Couture, Julie Ann Proctor, Grade 2; Brian McIntyre, Lori Ann Fallavallitta, Grade 3; Michael Hargrave, Sarah Prince, Grade 4.

Assumption PTG News

There will be a "Mini" Science Fair at the June meeting of the Assumption School Parent Teacher Guild, from 6:00 to 7:00 p.m. The Fair will be prepared by Sister Elizabeth Morin and the sixth grade youngsters.

Parents of students entering the school for the first time in the Fall are invited to this get acquainted evening.

The following new slate of officers will be installed: President, Diane Lewos; Vice President, Patricia Gallo; Secretary, Eileen Kuchle; Treasurer, Nadine Iglowski.

A Wine and Cheese Party will follow.

Sutton Students To Visit Salem

SUTTON. On June 6, members of the Social Studies classes at Sutton High School will visit Salem, Massachusetts. The trip will include a tour of the Peabody Museum and the Witch Museum.

The Peabody Museum contains art and artifacts donated by various ship captains who were involved in the China trade during the 18th and 19th centuries.

At the Witch Museum, students will be treated to an audio-visual reenactment of the 17th century Salem Witch Hunt.

Library To Present Program On Growing Herbs

MILLBURY. The Millbury Public Library presents "Parsley, Sage, Rosemary and Thyme: Growing Herbs and Garden Designs" at the Millbury Public Library, 128 Elm Street, on June 9 at 6:30 p.m.

This program will be presented by Lynn Hartman from Hartman's Herb Farm in Barre. Ms. Hartman will discuss growing herbs and garden design, along with the medicinal, culinary and craft uses of herbs.

Mohegan Council Boy Scouts Observe 11th Memorial Service

The Mohegan Council of the Boy Scouts will observe the 11th Annual Scout/Scouter Memorial Service at the Walker Memorial Gardens in North Brookfield on Saturday, June 6, at 2:00 p.m. The gardens, with a life-size statue of a Scout, were developed by Norman Walker of Brookfield as a memorial for his scout son and all the other members of the Boy Scouts who have passed away. Each year the Mohegan Council holds a memorial service at this site. This is perhaps the only such memorial in the nation.

Units from throughout the Council area attend and are presented with a commemorative streamer to mark this event. The public is invited to attend and all Scouters are welcome.

The deadline for all submissions to the Millbury-Sutton Chronicle is 12:00 noon on Saturday of the week prior to publication. PLEASE NOTE: The Chronicle office will be closed on Saturdays during the months of June, July, and August.

WEST SUTTON BAPTIST CHURCH TO SPONSOR OUTDOOR CONCERTS

SUTTON. The West Sutton Baptist Church, Central Turnpike, West Sutton, will host the Greendale Retired Men's Club Chorus on Saturday, June 6, at 7:00 p.m. The concert will be held behind the church in the ball field.

Bring your chairs and blankets for sitting. Hamburgers, hot dogs, and drinks will be sold. This is the first in a series of outdoor concerts the church will sponsor.

Millbury High Softball Results By Ron Stead

On May 26th, Millbury beat a much improved David Prouty by a score of 9 to 3. The Millbury attack was led by Jodi Bush, with a single, double, triple, and two runs batted in. Getting one hit and one run batted in, were Robin Rosseel, Jodi Cronan, and Ellen Ward. Kathy Ayotte knocked in two runs with a double.

Jodi Cronan pitched a strong game striking out nine while allowing two hits. Jodi Bush and Marie LaBreck were outstanding on defense. Jodi made many fine plays at first base, and Marie threw a runner out at home plate in the fifth inning.

On May 27th, Millbury exploded with eighteen hits in a 19 to 4 victory over Northbridge High. Robin Rosseel led the offense with a single, triple, home run and three runs batted in. She also scored three runs. Jodi Bush had three hits including a home run, and Ellen Ward had three hits with a triple. Getting two hits for Millbury were Beth Krumsiek, Kim Anderson, and Jodi Cronan. Marie LaBreck had a home run and Jen Dow and Lynne Picard each had one hit. Seven different girls knocked in runs for Millbury. Marie LaBreck and Jen Dow knocked in three, Beth Krumsiek, Jodi Bush and Lynne Picard knocked in two, and Ellen Ward had one run batted in.

On defense, Marie LaBreck and Jen Dow played well. Jodi Cronan held Northbridge to five hits while striking out three.

On May 29th, Millbury finished the regular season with a resounding 21 to 6 victory over Leicester. Jodi Cronan led the offense with two singles, a double, and a home run, along with four runs batted in and four runs scored. Robin Rosseel had three hits with a home run and two runs batted in. Lynne Picard chipped in with three hits and three runs batted in. Getting two hits were Marie LaBreck, Ellen Ward and Jen Dow. Marie and Jen had two runs batted in. Gina Orsi hit a home run. Beth Krumsiek, Kim Anderson, Jodi Bush and Tammy Hoel had one hit apiece.

Jodi Cronan pitched a strong game, striking out nine while allowing five hits. Millbury finishes the regular season with 14 wins and 4 losses. This record gives them sole possession of second place in the Southern Worcester County League. For the second year in a row, Millbury qualifies for the district tournament.

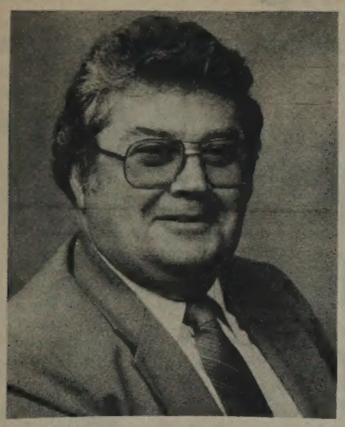
WALSH NAMED PRESIDENT OF SHAMROCK PRODUCTIONS



WORCESTER. William T. Walsh, of 9 Braney Road in Millbury, was recently named president of Shamrock Productions, a company which produces corporate sales meetings, conventions, consumer trade shows, concerts and fund-raising events.

Walsh most recently held executive sales and marketing positions in the travel industry, had previously owned his own travel agency, and had been a convention and sales manager for Eastern Airlines.

Shamrock Productions, which is headquartered at 65 Water Street, Worcester, has several productions planned for this year, one of which includes "College Discovery Days" which will bring all interested high school juniors and seniors in Massachusetts into the Commonwealth Armory in Boston in October where they will meet representatives of up to 500 colleges. Other events planned will be "Bob Hope In Person" Concert at the Centrum, "The Singles Mingle", a joint promotion with radio station WXLO in September, also at the Centrum.

SUTTON SENIOR NEWS

MENU

Tuesday, June 9: Beef Stew; Wednesday, June 10: Scottish Day, Vegetable Soup in Lamb Stock, Turkey layered with potatoes and ve/cabbage, carrots, and turnips; Friday, June 12: Corn Chowder, Baked Fish w/ Crumb Topping. Twenty-four hours advance notice is required for reservations. There is a suggested donation of $1.00.

"FRIENDS'" MEETING: June 9 at 12:30 p.m. Please plan to attend.

VOLUNTEER'S BANQUET: The Tri-Valley volunteers banquet will be held on June 17, at 6:00 p.m., at Assumption College. All who are eligible to go must have their tickets from Joanne in order to be admitted.

ROCKY POINT: We still have a few seats available on the bus for this trip. If you are interested, please stop in the office and pick out your choice on the menu. You can also call the office at 865-9798. The date of the trip is June 24.

DOG RACES: Those who have signed up for the dog races, please plan on paying the $22.00 this week, as the Dudley-Gendron Post must have their money as soon as possible. Pay in the Senior Center Office.

CHORE PERSON PROGRAM: We still have some time to go before our Chore Person Program runs out, so get your name on the list while we still have the students available to do the odd jobs you are unable to do yourselves.

VOLUNTEERS: Again we are asking anyone to donate a little time to deliver home-bound meals and also to help at the meal site. Many of our regulars are going on vacation which leaves us short of help.

Local Woman Receives Nursing Degree

PAXTON. Theresa A. Morin of Millbury received a Master of Science in Nursing degree from Anna Maria College on May 24. The commencement exercises were held at Worcester Memorial Auditorium.

Ms. Morin is a nurse educator at Worcester Memorial Hospital.

SPOTLIGHT ON BUSINESS

Millbury Fish and Chip

A generation ago, streets like Main and Elm were dotted with small, unassuming store fronts nestled comfortably under two and three-deckers. In these modest surroundings, family run businesses would go about their daily routine providing a service to the community in a personal and caring manner. It was a matter of friends patronizing friends who would then reciprocate in like manner.

Today, slick franchises filled with plastic furniture and serviced by nondescript people wearing non-offensive uniforms and painted smiles of manufactured concern are promoted by colorful, expensive advertising. These businesses have, to a large extent, replaced most of these family run businesses and generations of bona fide concerned entrepreneurs have been replaced with mechanization and efficiency. People may argue that something is gained by all this hype, but there is no doubt that something very special is lost.

On Elm Street in Millbury, there is a small, unassuming, grey store tucked cozily under a turn of the century three-decker. It is the location of Millbury Fish and Chip a restaurant very much in the tradition of the past, where Roger Tremblay, his wife Elizabeth, and son Jonathan operate their business. In fact, Roger, a native of Millbury and owner of the store, prides himself on the fact that their business is a small, family run operation whose sole purpose is to please clients, most of whom he knows on a first name basis.

The store was not always located at this address. In 1947, Omer and Juliette Lamontagne ran the store which was then located at 43 Elm St. In 1958, Millbury Fish and Chip moved to its present location at 82 Elm. Dick Lamontagne, son of Omer and Juliette, took over the operation in 1973.

Roger Tremblay was born and raised on Elm St. not far from the original and present site of the store. There, Wilfred and Yvonne brought up their four boys, Roger, Raymond, Paul, and Wilfred Jr. "My brothers and I used to play ball together behind what's now Superior Oil. It's really sort of comical," he recalled, pausing for a moment to recapture childhood memories. "As kids we used to go get fish and chips often, and my parents always went. In fact, when I was in my twenties, before I went out on Friday night, I'd frequently go get an order of fish and chips. At the time, I never dreamed I'd ever be the owner."

Roger came by the restaurant business by a rather indirect route. After graduating from Millbury High School, Roger worked at a variety of restaurants on the Cape and in the area. Locally, he worked at the former Kite's restaurant in Grafton, and at Pleasant Valley. "It was good experience," he recalled. "Many of the people I worked with were professionals supplementing their income with part time work." Roger worked in a variety of capacities: as a bartender, a waiter, and sometimes assisting as manager. It was during this period that Roger began thinking that someday he'd like to own his own restaurant. "Kite had the greatest influence on me," Roger explained. "To Kite, the customer was always right. He ran a nice little restaurant that served good food prepared with the best of ingredients. He limited his menu to what could be prepared best, and he saw to it that his customers were treated as something special – which they are!" he added emphatically.

But after four years working off and on for Kite and at Pleasant Valley, the realities of the world caught up to him, and he took a position at Bay State Abrasives. However, Roger never lost his desire to one day own his own establishment. In 1983, Roger seized the opportunity to buy Millbury Fish and Chip when Dick Lamontagne decided to sell. Since that time, Roger, Betty, and Jonathan have been devoting most of their time to running the business.

Roger has kept the business pretty much as it was. "The Lamontagnes were respected in town," he noted, "and people were pleased with the service that they received. We have kept much in that tradition." One original touch that Roger has added arose out of his own fondness for New England style clam chowder. He has added his own thick, creamy creation to the menu.

Millbury Fish and Chip is much like it was in the past. It is a family business in which Roger's wife Betty and son Jonathan, a sophomore at Blackstone Valley Vocational School, still help out. Meredith, Roger and Betty's three and a half year old daughter, is their official 'taster,' but soon she'll be old enough to work with the rest of the family.

Roger was also quick to praise the loyalty of Janet Boulay who has worked at the store for many years. "Janet is a big help," he noted. "She helped me get off to a good start and has been invaluable in keeping our mostly 'Take Out' operation running smoothly."

If you're ever in the area, and it's been a while since you've bought good, home cooked fish and chips prepared as they were in the past – right out in front of you – stop by and drink in the color of days gone by in one of the few remaining, truly authentic neighborhood fish and chip stores. You won't regret the walk back in time.

Improve your surroundings

Go ahead. Make your home life a little nicer with an easy-term loan.

Repairs, additions, planting, paving, a new pool, a patio, insulation or a garage. Whatever your house needs you can get when you have a home improvement loan from us. Improvements not only make your home more comfortable, but they also help it increase in value, depending upon the improvement.

To apply for your easy-does-it home improvement loan,

call one of our loan officers or apply in person during regular bank hours. If you qualify, the rest is easy. We're lending money for any worthwhile purpose.

Millbury High Student Project Fair

The annual student Project Fair was held at Millbury High School on May 20, 1987 from 7-9 p.m. The exhibits were set up in the high school gymnasium and refreshments were served in the front entrance of the building. An excellent representation of student project work was displayed in the areas of Crafts, Industrial Arts, including work in the areas of Woodworking, Metals, Graphic Arts, and Photography, all aspects of Drafting and Computer Graphics. Other departments of our school that were represented included the Nursery School with artwork done by the "younger" high school students on display. The Art Department displayed some very fine work as well as some interesting ceramic work by the students.

of the Woolies logo were given as well. The 8th grade construction students demonstrated the fabrication of studded walls, and the blueprint machine was demonstrated by several Mechanical Drawing students. Students from the Crafts Club were on hand to demonstrate the techniques of stenciling. All the refreshments were prepared for the evening by the students in the foods classes.

There were several door prizes awarded to visitors who registered at the door, including wrought iron plant hangers made during the evening as a metal fabrication demonstration, and pairs of wood candle sconces donated by Mr. Battye of the Woodworking Shop. The winners included Michael Gosselin, Anthony Dupuis, Becky Moss, Peter Fitzpatrick, and Lena Lager-

One of the many projects on display at the Fair.

Photo Courtesy of Gerald Boudreau

Millbury High student, Rick Nocchi, was among those participating in the Project Fair.

Some fine looking potted plants and seedlings nurtured by the horticulture students were on display adding to the overall look of the Fair. Also, there were live demonstrations going on all evening in the Metals area, and potted plant hangers were fabricated in front of the spectators. Some of these items were given as door prizes. In the Graphic Arts corner, a live demonstration of Screen Printing resulted in Millbury Woolies "T" shirts for the nursery school students. Free samples

holm.

Many thanks go to Gordon Battye, Neil Lucey, Jay Hanratty, Gail Fairbanks, Sylvia Stepien, Joan Banks, Pauline Gauthier, Richard McGrail, and Lucien Richards for their involvement and assistance, and particularly to Mr. Carmody and Mr. Capparelli for their support and cooperation in making the evening a success.

Golden Agers Update

By Lillian C. Sheehan

St. Brigid's Women's Club

Newly elected President, Madeline Hartline, has announced her Board of Control as follows: Past President, Paula Beauregard, Mary Mulhane, Caroline Pescheta, Dell Carney, and Peggy Spang. A tentative date for the first Board meeting will be Monday, June 15th, at 45 Hemlock Drive.

Members of St. Brigid's Women's Club are reminded to send in their favorite recipe to Peggy Spang, Chairman of the "Cook Book" Committee.

Millbury Golden Age Club

Members are reminded to pay Dues of $3.00 during the month of June.

Bea Tift is taking reservations for a "Mystery Trip" for Tuesday, June 16. The cost is $21.00, which includes transportation, luncheon, and ??? Choice of Menu is Pot Roast or Baked Stuffed Haddock.

Centerview Apartments

Last, but not least, of those celebrating birthdays in June is Charles Millard. Many Happy Returns of the Day, Charlie. We hope Mae is able to get all 89 candles on the cake!

Commencement Time

One of two proud grandmothers (that we know of) at Centerview was Mrs. Mae Plante, who attended her grandson Kevin's graduation from St. John's High School. Kevin is the son of Bernard Plante, and he plans to further his education at Northeastern.

Mrs. Frank Sheehan attended the graduation of her granddaughter, Karen Grabauskas, who graduated with Honors from Holy Name Central Catholic High School. Karen has been accepted at Salve Regina in Newport, Rhode Island. She is the daughter of Tony and Patricia (Sheehan) Grabauskas of Auburn.

Words of the Wise Men

"Let the falling out of friends be a renewing of affection" -Lyle

"Be wary and slow to give your confidence. This is the backbone of the mind's strength." Epicharmus.

Television enables people with nothing to say to talk to people who aren't listening.

HERE . . . THERE . . . EVERYWHERE
Bits 'n Pieces
. . . Joe Morin

CONFUCIUS SAY: "He who raids the State Treasury will get what's coming to them; wait until next election".

AND AWAY WE GO....A raid on the State Treasury! Yupp! They did it again! They voted themselves a whopping 10,000 clams to line their pockets. The sneaky part of it was when they invoked the Emergency Preamble whereby they could start collecting right away!...The "Duke of Paducah" had the audacity to sign it. Well, the good people will have the last laugh. A referendum is in the making whereby this would me nullified. All aside now, with the new pay scale it would seem now to be a lucrative job to hold. It just may entice others to run for office. Just what we need, more politicos!

ON THE SUBJECT of money, politicians, etc....Time Magazine ran a special issue a few weeks back on the State of Ethics in the country; ethics in government, churches, the business place. The reading of all this low-ethics situation causes one to wonder just where are we heading? The kids today don't have many leaders out there to emulate. It's gotta change. What do Bay State Politicians and the Bakkers of PTL have in common? They both raided their respective treasuries! Friends, let us gather by the river and give 'em all one hell of a dunkin'!

JOE – THE GALLOPING GOURMET was out shopping and spotted some canned crabmeat from good old Canada. O! Canada! Bought a can for $3.99. Wow! Not imitation, but the real thing. Ha! Opened it, looked at it, smelled it, tasted it....the cat had one heck of a meal. Another ripoff! What lousy crabmeat! Let me tell you right now, there is a brand of canned goods out there that is tasteless, not worth the money. I wonder if you all know the brand I'm talking about! Be on guard, you get what you pay for. How true that is.

A TRAGEDY....The sailors on the USS Stark. May God grant them peace! But the part I and many others are trying to figure out is, how can a ship with millions of dollars of computerized equipment, ready to go at a moments notice, fail when needed. A lot of questions have to be answered.

SOME PEOPLE COLLECT stamps, records, baseball cards. Others collect old cars and store them on their font lawns for all to see. There oughta be a law! WE PURCHASED a shed, a metal shed to be more specific. Lord, if you want to go bananas, utter words that you normally wouldn't, if you don't want to turn to the sky and say, "Lord! Why me?", then don't ever, ever try and put up a metal storage shed! Screws are missing, and holes in the metal roofing do not line up, making it necessary for you to drill new holes....

VIRGINITY is in, but things are kinda quiet. A report out California way that there are clubs forming and "virgins only need apply". The AIDS epidemic has caused these clubs to come into being but they are having one heck of a time recruiting members to form the clubs. There aren't that many unclaimed treasures out there to form a chapter.

THERE IS one signal light at Route 20 and Granite Street that can tie up traffic for hours. It should be looked into. Oh yes, on the subject of Route 20, have you heard of anything being done about the safety on Death's Highway? Boarding Route 20, I still say my prayers. With that trash plant there, it's only going to make matters worse.

FRIENDS....Why do we spend so much money to beautify our lawns with fertilizers and fast growing chemicals, only to take out the lawn mower, grudgingly, to mow it all down!....MEGABUCKS, MassMillions, Daily Lottery, starting to get confusing and expensive. WASH 'EM GOOD and give 'em a good scrubbing! That's what they're telling us when we buy chickens. Evidently those responsible for cleaning the chickens at the plants aren't doing a good job so it's up to us to scrub down the little birds. No soap, just a lot of water....FAREWELL to Father Larry Esposito. He's been transferred to Worcester from St. Mark's in Sutton. Father Larry was well liked and we're going to miss him. Good luck on your new assignment, Father.

WHEN I WAS A BOY we walked three miles to school and three miles home each day. Now, we spend twenty-five thousand dollars for a school bus to pick up the children so they don't have to walk, and then we spend a hundred thousand dollars for a gymnasium so that they can get exercise.

NOTICED THE CHANGES in the way the paper is printed, namely the typeface, among other changes. Personally, and this may mean my job, I am not crazy about the new typeface and hope the powers to be, or who are, let my column as is with the former typeface used. I would be willing to have me mug removed from the column heading. That might improve the column a bit! I think it will improve a lot!

(Sorry Joe! The comments are running 1000 to 1 against you, and in favor of the new typeface! Fear not, we will be trying additional typefaces in the future. Ed.)

NO EXCUSE SUNDAY! To make it possible for everyone to attend church next weekend, we are going to make it very special:

1. A cot will be placed in the sanctuary for those who say "Sunday is my only day to sleep", and "On Saturday I work around the house all day".
2. Eye drops will be available for those with tired eyes from watching TV too late on Saturday night.
3. We will have steel helmets for those who say "The roof will cave in if I come to church."
4. Blankets will be furnished for those who think that the church is too cold, and fans for those who say it is too hot.
5. We will have hearing aids for those who say that the ministers speak too softly, and cotton for those who say they speak too loudly.
6. Score cards will be available for listing hypocrites present.
7. One hundred TV dinners will be provided for those who can't go to church and cook diner at the same time.
8. A selection of trees and grass will be made available for those who "like to see God in nature".
9. A putting green will be installed near the main altar for those who contend that "Sunday is my day for golf," and finally,

Turn to MORIN on P. 16

MORIN from P. 11

10. The sanctuary will be decorated with both Christmas poinsettias and Easter lilies for those who have never seen the church with them. Hallelujah Brother!

ENOUGH ALREADY. I've said enough for a while. Nothing much going on with the Cat and PeeWee. He spotted a big Doberman going by, went up to the fence, looked up and, I kid you not, the Doberman got him, right between the eyes. I told him a thousand times, never look up!....Take care good people, keep a smile on your face, a song in your heart, and trust the Almighty! He loves you and so do I. Peace!

Dorothy Pond Included in Budget Priorities

BOSTON. Rep. Paul Kollios (D-Millbury) has announced that several of his key budget priorities have been included in the budget recently passed by the Massachusetts House of Representatives.

DISTRICT ITEMS

The budget provides $10,000 for transitional funds to make up a shortfall in the Auburn Projects operating budget. The project is a community-based drug and alcohol counseling center for youth. "These funds," stated Kollios, "will allow the project with the necessary time to seek out other revenue sources."

Also, projects to improve water quality will be continued with funds added to the budget. The projects are, a diagnostic and feasibility study of Leesville pond in Auburn ($60,000); continued dredging and restoration of McKinstry Pond in Oxford ($197,000); and the control of algae and other "aquatic nuisances" in Dorothy Pond in Millbury ($23,000).

Rep. Kollios also pushed, and provided funds, for programs for the elderly, including home care and respite care. "Home care", stated Kollios, "is one of the only alternatives to a nursing home for frail elders. As the people of Massachusetts grow older and live longer, more need some kind of help fixing meals, keeping house, or taking care of themselves." The budget included an additional $1 million in home care and $500,000 in respite care. Respite care is a program whereby respite care givers go to a home to relieve the full-time family care giver for an evening or a day or two.

A key amendment sponsored by Rep. Kollios added $50,000 to fund a study of the critical shortage of workers for nursing homes and home care agencies.

Kollios' priorities for children, which were included, were an increase in the clothing allowance for foster children, increases in day care, and extension of medicaid benefits for working people recently off welfare. "Currently," said Kollios, "many people leaving welfare take jobs which do not provide health insurance. Providing working families with medicaid for one year will help to stabilize these families and keep them working."

Rep. Kollios supported successful efforts by Rep. David Cohen (D-Newton), to include $2.4 millon dollars in the mental health budget for "Individual Services Plans". The money will be used to plan for people who are now hospitalized but who will be returning to the community, preventing these people from becoming homeless or needing to go back to the hospital.

Finally, Rep. Kollios asked for, and received, $1.7 million to remove the last 37 mentally ill children who are still on adult wards.

"Brighter Than Bright"---"Newer Than New"---"Better Than Best"...well almost. I'm selling the New, Improved Children's Room. And best of all, it's FREE. The Children's Room is changing. Slowly but steadily, we are developing a collection of which the Town of Millbury can be proud. This is due in some part to the generous grants from the Board of Library Commissioners and the Millbury Arts Council. But the strong support of the Town and the Board of Trustees has been the major force behind the change. With the increase in the children's materials budget voted by the Town Meeting, we can purchase a wider variety and larger quantity of high quality materials. You'll note that I keep mentioning "materials". Although books will always be the mainstay of the collection, presenting stories and poetry in other formats (multi-media kits, records, cassettes) has proved to be an excellent way of capturing a child's attention and drawing him into the world of literature.

The problem in the past has been a lack of space. Where could all these materials be housed? Since space, thankfully, is no longer a problem, you might notice some new additions. New records and cassettes include: The Snowman, Jean-Pierre Rampal and Maurice Andre - Children's Song, Learning About Time One Step at a Time, This-A-Way and That-A-Way by Ella Jenkins. New video cassettes include: Free To Be You and Me, Willie Wonka and the Chocolate Factory, Raffi, A Young Children's Concert, and Mary Poppins. We've also purchased new book/cassette sets which should be available soon: Berries Goodman, Girl Called Al, Socks, Thirteen Ways to Sink a Sub, and The Phantom Toll Booth, among others.

We look forward to serving and providing better and more varied services to the youth of Millbury. See you in the new, improved, Children's Room.

High School Dialogue

By Roger Desrosiers

Athletic Awards Night

On Thursday, May 28, the athletic awards were presented at the high school. Most of the students were awarded letters in their respective sports. The Millbury Athletic Association represented by Mr. Richard Taft and Mr. Frank Gagliardi gave out the Most Valuable Player Awards (MVPs) in the different sports. Cheerleading – Julie Jones, Cross Country – Jill Bush and John Casey, Volleyball – Heather Bourassa, Soccer – Ellen Ward and Thomas Grabauskas, Football – Patrick Rocheleau, Basketball – Gregg Jacobsen and Ellen Ward, Winter Track – Kristen Bumpus and Paul Boucher, Baseball – John Gordon, Softball – Robin Rosseel, Spring Track – Jim Tuttle and Nicole Rocheleau.

Several other awards were also presented on this occasion. The Athletic Director's Award is given to two seniors who "possess the highest qualities of scholarship, leadership, sportsmanship, athletic participation, attitude and diversified athletic performance." This year's choices were Lynne Picard and James Tuttle. The Donald Witkowski Memorial Award was presented to Lynne Picard and James Bara, seniors who have "excelled in athletic participation and possess those qualities that teachers and parents strive to instill in young adults." The Scholar Athlete Awards were given to Lynne Picard and James Tuttle. The District E Outstanding Athlete Awards, which reward those athletes who best represent Millbury in the Central Mass. area, were presented to Ellen Ward and Greg Bernard. The Marine Distinguished Athlete Award was presented to Annette White and Mark Gonyea as they showed the desire, poise, and courage exemplified by the Marine Corps. Also, the VFW Most Valuable Football Awards were presented to Seniors Pat Rocheleau, Mark Gonyea, Jim Bara, Mike Remuck, and Mike Anderson for their play in the Thanksgiving Day game against Northbridge.

Nursery School Sandbox

The nursery school has a new sandbox which was constructed by Mrs. Sylvia Stepien's Family Living class with the assistance of the industrial arts teachers. Seniors Jim Bara, Jon Gain, and Todd Army did much of the construction while Brian Haynes, Michelle Campbell, Tammie Johnson, and Richelle Caisse painted the sandbox. Landscaping was done by Shawn Turner, Chris Nelson, Jamie Racicot, Brian Haynes, and Greg Bernard.

The lumber and hardware for this project were donated by C&S Lumber, and a nylon screen cover was donated by Ray's True Value. We thank these businesses for their help and support of this project for the nursery school. This should provide years of enjoyment for the children.

The nursery school program for this school year will come to an end on Friday, June 12 with a "graduation" ceremony in the high school auditorium beginning at 10:00 a.m.

There will be a special summer nursery school program offered from July 6 to August 7 in the morning hours from 8:30 a.m. to 12:00 noon. If any parents are interested in signing their children up for this, please contact Mrs. Joan Banks. She can be reached at school each day from 8:00 a.m. to 2:00 p.m. by calling 865-5841.

7th Graders Visit the High School

In order to ease the adjustment for next year's eighth graders, the present grade 7 students at the Middle School will have an opportunity to learn about and then visit the high school next week. Both school personnel and students from the high school will speak to the 7th grade at the Middle School on Monday, June 8. This orientation program will discuss the programs, activities, and policies that they will find at the high school next year. On Wednesday, June 10, grade 7 students will visit and tour the high school facilities as they familiarize themselves briefly with what will, for many, be their school for the next five years.

Final Exam Schedule

Final exams will be administered starting on Monday, June 15, and continuing through Thursday, June 18. On Monday, all 7th period classes will have their final exams during the last two periods of the day. On Tuesday, Wednesday, and Thursday, the first four periods of the day will be broken up into two exam periods. On Tuesday, period 1 and 2 exams will take place; on Wednesday, period 3 and 4 exams; and on Thursday, periods 5 and 6 exams. After the lunch period, there will be two additional classes which will vary from day to day.

Friday, June 19 is the last day of school. There will be a regular class schedule for the last day.

Summer School – 1987

Once again, Millbury High School will conduct a summer school program for Grades 8 through 12. Courses in the areas of English, Mathematics, Science and Social Studies will be offered as well as enrichment courses. Most of the courses are essential for the purpose of make-up. To be eligible to take any summer course for credit, students must be recommended by the teacher whose course he/she had failed or have the permission of the Summer School Director, in which case a higher grade may be required for credit. This higher grade would depend on the final average that the student had attained during the regular school year. A student with a final grade of 0-30 would have to receive a final average of 90 in summer school to receive credit; between 30 and 40, a student would need an 80 average; and between 40 and 60 would need a 70.

Registration will be Friday, June 26, and Monday, June 29, from 11:00 a.m. to 2:00 p.m. in the lobby in front of the auditorium at the high school. (A late registration will be held on Tuesday, June 30, from 11:00 a.m. to 1:00 p.m.) The Summer School program itself will run from Tuesday, June 30 to Friday, July 31. One hour classes will be held each weekday morning between 8:00 a.m. and 12:00 p.m. Each student must provide his/her own transportation.

There will be a tuition fee of $40 per course for Millbury students and a tuition fee of $75 per course for non-Millbury students. Checks should be made out to Millbury High Summer School.

DEADLINE

DEADLINE FOR ALL SUBMISSIONS TO THE MILLBURY-SUTTON CHRONICLE IS SATURDAY AT NOON OF THE WEEK PRIOR TO PUBLICATION. PLEASE NOTE: DURING THE MONTHS OF JUNE, JULY AND AUGUST, THE OFFICE WILL BE CLOSED ON SATURDAYS.

News From Pack 143 St. Mark's, Sutton

By Bruce P. Davis

On May 26th, the Pack held its Blue and Gold Banquet. We had 175 boys and adults in attendance.

The Committee would like to congratulate the following boys for achieving the Arrow of Light: Andrew Bjorn, Bruce Davis, Mark Scanlon, and Chris Gauvin. The Arrow of Light is the highest award in cub scouting.

The following boys have also earned awards over the last 2 months: Sam Vaillancourt, Bradley Weber, Michael Monteverdi, Frank Piscitelli, Andy Maynard, Nicholas Philbrook, Christian Osborne, Joshua Osterman, Aaron Katz, Eugene Gosselin, Joshua Reil, William Nelson, Mark Scanlon, Matthew Dion, Joseph Miller, Adam Towne, Sean Reid, Jessie Nunnemacher, Travis Wandland, David Teft, Neil Zimage, Mark DiBenedetto, Jason Anderson, Don Lawless, Justin Newton, Bruce Davis, Chris Gauvin, Marty Wick, Joel Nentwich, Paul Sokol, Tim Spring, Kent Leber, Matt Faron, Derek Bailey, and Michael Trudell.

The Committee would like to take this time to thank everyone who has supported the pack in anyway this year.

To Mr. Bjorn, the Den Mothers, and their assistants, who served the cubs so well, a very sincere and honest thanks.

A thank you to 3D catering for a fine job on the Blue and Gold.

Don't forget it or you will regret it – set aside June 6th for our second annual Cub Scout Picnic. The Picnic will be held at St. Mark's from 1:00 to 4:00 p.m. We will have plenty of food, drinks, and games. We will be looking for some help on this one, so don't be bashful. The price is $5 a family.

If it rains, we will have it on the 7th of June.

So don't forget – for a good day of fun and friendship, be at St. Mark's on June 6th.

Youngsters from the Sunday School of the First Congregational Church in Millbury participated in a worship service to celebrate Children's Day on May 31st.

...with
HELP Loans from MCU!

With the high cost of college, a HELP Loan from the Millbury Credit Union can *really* help with your educational expenses.

If you're a student making satisfactory progress at an approved educational institution, or have just been accepted to an approved educational institution...and you meet certain family income standards...you may be eligible for a HELP Loan from MCU.

You should apply for HELP after you've completed your school's financial aid form...which will assist in determining your eligibility.

Also, MCU offers PLUS Loans to parents of undergraduate students, regardless of family income.

For HELP with *your* educational expenses, see Doreen Thornburg...at the Millbury Credit Union.
